

# **Chippewa Valley Autism Society Eau Claire, WI**

## **Scholarship Policy**

Statement of purpose: To achieve its stated purpose of furthering “the education and training of parents and professional personnel for training, educating, and caring for persons with autism (CVAS bylaws, I(2)),” the Chippewa Valley Autism Society shall award occasional scholarships to its members.

Eligibility: Any member in good standing may request a scholarship to defray the costs of attending an autism-related event or conference. However, any single member may not be granted a scholarship more often than once each year.

Furthermore, the award of any subsequent scholarship shall depend on the applicant’s sharing of information from previous events with the CVAS membership (as detailed on the scholarship application form).
